

New York, Jan<sup>y</sup> 11th 55

Prof. Jas. C. Booth

Dear Sir

The book  
and specimens are those  
I promised to send last  
summer. I do not know  
whether they will be of any  
interest to you.

Hoping that you  
and your family are enjoy-  
ing good health, I remain

very respectfully

Your friend

Clarence M. Smith
